

UNIVERSITY *of the* SOUTHERN CARIBBEAN

USC GUYANA

At the Guyana campus, you have the opportunity to meet people and engage in critical thinking and research. USC Guyana affords anyone desirous of pursuing a tertiary level education to begin and complete their studies in Tobago. The following courses are offered fully at the USC Guyana campus you can begin and complete following programs:

- BS Elementary Education
- BS Behavioural Sciences
- BS Social Work

However, if your interest lies in any one of our other programs, the Main Campus, located in the Maracas Valley of Trinidad welcomes you to come be part of our continually growing family. You can fulfil the General Education Requirements for any degree at the USC Guyana Campus and then complete the remaining requirements for the degree of choice at the main campus.

Classes are generally held: Monday to Thursday, 3:55pm – 9:00pm
